

May 2020 Customer Agreement

Initials

	If Member/Guest (M/G) is fearful or scared of working out in proximity to others, they need to STAY HOME. Working out in Club 14 Fitness is optional. Please see liability signature on the back of this form.
	Member/Guest (M/G) agrees to remain 6'-10' away from all other people at all times
	Member/Guest agrees to wash hands before AND after they workout at Club 14 Fitness.
	M/G acknowledges masks are highly recommended while in Club 14 Fitness until Governor lifts Phase 3 alert. Masks are optional at this time
	M/G agrees to disinfect equipment used BEFORE and AFTER use. Each M/G will be issued a Covid-19 Spray bottle to use while in gym upon entry. Please return to desk when finished. We are ADDING 6 NEW disinfectant stations and 15 new bottles to the already prevalent 17 stations for your convenience.
	Coffee service is temporarily suspended until we reach Phase 3 of the Presidents directive Please keep any drinks you bring into the gym within your grasp, and within 2' at all times. Any drinks or cups NOT within 6' of a person will be immediately throw away by fellow customers and/or staff.
	Masks are available at the front desk for our cost. \$1 per mask This is not madatory. They can be charged to your account.
	Please only use 1x 1/2 sheet of disposable towel per machine after use
	If you are sneezing, coughing or have any respiratory "itch" or tickle, you will be asked to leave. No exceptions.
	Any gear, bottles, or equipment left in Club 14 Fitness will be thrown away at the end of the day. This includes Cell Phones, Watches, bags, etc.
	No BAGS, equipment, or extra training devices are allowed in the gym. No Bags on the workout floor. NO EXCEPTIONS. If you are showering in the gym, the bag you bring in MUST be stored in a locker during your workout

	No lounging or loitering after workout. We LOVE our members, but in order to allow another person to come into the gym, please keep workouts to less than 1 hour and “cool down” or chat with your friends, just outside the gym under the awning. Thank you for understanding
	Cell phone calls and texting must be done outside of the gym. It is imperative that we keep people moving through their workouts.
	For additional information on the phased opening of our country please visit: https://www.whitehouse.gov/openingamerica/
	For additional information on the CDC approved Defense Soap - Covid-19 disinfectant spray we use and it's patented properties for killing Covid-19 please visit: https://www.defensesoap.com/product/disinfectant-tablets/

Defense Soap Disinfectant statement: **Our Disinfectant Tablets made the EPA's List N of antimicrobial products for use against Novel Coronavirus SARS-CoV-2, the Cause of COVID-19**

- EPA-registered bleach alternative that is less corrosive than traditional bleach
- Strong, hypochlorous acid base effective against a broad range of microorganisms
- Surface and user-friendly tablet delivers accurate strength solution with no measuring
- 3-year shelf life in tablet form - Less irritating odor than harsh chemicals

Club 14 Fitness member, guest, employee, and or anyone that willingly sets foot in the facilities located at either 1114 South 14th Street or 1122 South 14th Street in Fernandina Beach, FL is doing so on their own volition, their own power, and under no duress. If the customer shows signs of a fever, or any respiratory illness, they will be asked to leave with no refund. Any business done with Club 14 Fitness, Lane's Fitness, or NFMT is done so willingly and knowing that there are risks. Risks could include, but not limited to injury, sickness, respiratory illness and even death. If you are afraid of public places, please stay home. If you think you are sick, stay home. If you are afraid or “at risk” for becoming sick or contracting a respiratory illness, stay home.

I willingly understand the risks of participating in a private fitness facility:
